

FENIX AGAINST COVID:

Phase 1 (April): Design an e-learning platform and prepare lesson plans to promote learning from home and keep a strong connection between school and pupils.

Phase 2 (27th April – 2nd July): Implement the e-Learning platform and guide the parents and pupils on their journey.

Phase 3 (May 2020) : Write a sanitary protocol for school resumption in July.

Phase 4 (June): Get the school ready for visits, staff-meeting and school resumption planned for the beginning of July:

- Deep cleaning of the school and the garden
- Pest control
- Installation of hands sanitizer around the school.

Phase 5 (June-December): visits of the school for interested parents (sanitary procedures to be respected - wearing of masks is compulsory).

Phase 6 (July): Welcome our pupils for the end of the 4th period.

Phase 7 (October): planning of the end of year (cancellation of all gathering of more than 5 people planned in the school calendar) and beginning of the coming school year (timetables, rules and regulations, school calendar...)

Phase 8 (November): Conclusion of this year 2020; End of year show amongst pupils and teachers. *The show shall be filmed and shared with parents.*

Phase 9 (December): Planning of the coming year with the teachers; finalizing our Schemes of Work and lesson plans for the 1st period - before going on a well-deserved vacation.
